

OHIO FARM BUREAU @ POWER SHOW OHIO

Ohio Farm Bureau and industry partners will present Technology in Agriculture at Power Show Ohio.

The dynamic interactive display will:

- Demonstrate how farmers use technology to manage water quality, soil and nutrients.
- Demonstrate how farmers use cutting edge technology like solar, drones, GPS and robotics to best manage our natural resources.
- Displays will include activities for all ages, including a combine simulator, an augmented virtual reality landscape, solar power, drones, and more.

Friday, Jan. 27 is Farm Bureau Member Appreciation Day

- Any Farm Bureau members that attend the show can receive special giveaways.
- Members that attend on the Jan. 27 will receive refreshments and may enter to win a drawing with prizes valued up to \$2,500.
